

LEPRECHAUN

Alice Keegan

WHERE DO THEY LIVE?

- The mythical creatures 'leprechauns' are supposedly found only in Ireland. They say that they burrow in caves or trunks of fairy trees.

WHAT DO THEY LOOK LIKE ?

Leprechauns are usually seen in green suits and green hats. They have red hair and beards.

WHAT DO THEY DO?

- They're known for hiding a pot of gold at the end of the rainbow but are also known for being very naughty and pranking unsuspected people.
